Please dress your children appropriately for the weather conditions since they are expected to be outside for recesses during the school day.

PLAYGROUND SUPERVISION

Supervision will be provided on the playground from 8:15-8:30 a.m. in the morning and during the recess and lunch period. **Students should not report to school prior to 8:15 a.m.** The school doors open to parents that need early entrance at 8:20 a.m.

In case of severe weather conditions, students will be allowed to enter the building after 8:15 a.m. It is suggested that when such weather conditions exist, you should send your child to school so that he/she will arrive after 8:15 a.m. or closer to the 8:35 a.m. start time.

CURRENT EVENT PUBLICATIONS

Some teachers use current event publications as a regular weekly lesson. The school pays for these weekly publications. Your child's teacher will provide further details.

BOOKS

Textbooks are furnished for all students. To help protect the books, we ask pupils to cover all their regular textbooks. The covers can be made from newspaper, paper bags, wrapping paper, or other materials. Please try to have them covered by the end of the second week of school.

GYM SHOES

For safety reasons, all pupils are asked to have rubber-soled tennis shoes that they can use for gym class. These should be shoes that they use for gym and can be left at school. (Many parents find it is easier to leave gym shoes at school rather than to remember to send them on gym days.)

VOICE MAIL

Parents can utilize the school's voice mail system to leave messages for staff members. Teachers are available for phone calls before and after school. You can call and leave a voice mail message at any time during the day or night. A phone directory is available during evening hours for you to leave voice messages. The school phone number is 715-261-0965.

FOOD ALLERGY/FOOD INTOLERANCE POLICY

The Wausau School Board has recently approved an updated policy on Food/Allergy/Food Intolerance. School Board Policy 5920 explains the changes for treats/food that students, parents, etc. bring to school for special events. **Please note all items must be purchased with the ingredient label on the item.** No treats with peanut products or peanut oils are permitted due to allergies. If you have any questions, please contact our Food Service Director at 715-261-0809.

PARENT TEACHER CONFERENCES

Parent teacher conference dates will be published in the first month of school. Parent teacher conferences are held in the November and February of the year. Please check our school newsletter for more information. However, you are encouraged to request a conference with your child's teacher at any time you deem it necessary.

INTERNET ACCESS

Wausau School District, Policy 6500, is in compliance with the Children's Internet Protection Act which mandates technology-based filtering on all workstations with access to the Internet. It is the intent of the Wausau School District to provide a safe on-line experience, and filtered access provides one means of limiting inappropriate contact. Additionally, student Internet access is supervised, and students receive instruction on safe on-line practices.

Students are required to have parental permission on file in order to obtain Internet access. Once on file, the permission will remain in effect unless you notify your child's school office of the change.

SCHOOL VISITS

Parents and other interested citizens are always welcome at Lincoln School. For the safety and security of all of our students, **please check in at the office and obtain a visitor's pass before going to a classroom area for any reason. Thank you for your cooperation in this safety policy.**

VOLUNTEERING AT SCHOOL

All volunteers must complete the Wausau School District paperwork approximately two weeks before participating/volunteering in the special school activity. Please check the Wausau School District web site, <http://www.wausauschools.org/>, for more information. If you have questions, please contact the Volunteer Coordinator at the Longfellow Administration Building, Roxane Hagedorn at 715-261-0500.

SAFETY TO AND FROM SCHOOL

Crossing guards are on duty at the corners of Sixth and Stewart Avenues, 12th and Stewart Avenues, and Third Avenue and West Street before school and at dismissal time to assist children in crossing streets safely. Safety patrols are on duty from 8:15-8:30 a.m. and 3:30-3:40 p.m. Mr. Bryan Niemeyer is the Safety Patrol supervisor.

SMOKING REGULATIONS

As a result of action taken by the Wausau Board of Education, **there will be NO smoking at Lincoln School or on the school grounds.** Students are not to bring any smoking materials to school including cigarettes, matches, lighters, and smokeless tobacco. Violation of this policy is a serious offense and students found in possession of any tobacco product may receive a municipal citation and/or be suspended from school.

PETS ON SCHOOL GROUNDS

Due to safety reasons, no pets – even if leashed – are allowed on school grounds. Please do not enter the fenced playground area, bus pick-up area for students, or the building with pets that are not caged. This policy will be strictly enforced due to safety concerns. Therapy dogs, in intermittent targeted use, may visit a classroom where no allergies are present.

THE PRINCIPAL'S OFFICE

This office is interested in helping your child receive the best possible educational experiences. If I may be of service to you in any way, please feel free to contact the school office at 715-261-0965, or email Mrs. Whooley Jepson at cwhooleyjepson@wausauschools.org.

STUDENT ACCIDENT INSURANCE

The Wausau School District **DOES NOT** provide insurance coverage for your child while he/she is on the school grounds. This means if your child sustains an injury during the school day, your insurance company, not the school or district, must pay for any medical attention.

LOST AND FOUND

Please periodically check our Lost and Found box located in the hallway across from the office, especially if you suspect your child has misplaced or lost any item. Children should label their belongings such as boots, jackets, gloves, etc. Found items are disposed of twice per year.

ABSENCES

The Wausau School District policy regarding student absences states that parents must inform the school when their child will not be in attendance. If you do not phone and inform us, we must attempt to contact you, letting you know that your child is not in attendance. Please make sure you notify the school of absences by **9:00 a.m.** **The school phone number is 715-261-0965.** If your child has a dentist or doctor appointment during school hours, your dentist or doctor should provide an excuse form for you to bring back to school. We would appreciate it if you would arrange dental appointments as much as possible after school. If your child leaves school for an appointment or another reason, please stop at the office. **If we do not receive a phone call or note from a parent explaining a child's absence, the absence is recorded as unexcused. There is statutory language that outlines habitual truancy in the State of Wisconsin. The WSD abides by this language – see the WSD Parent Handbook on the district's website for details.**

APPOINTMENTS

If students must leave school during the school day for appointments, a sign out form must be completed in the office. **If students are taken to appointments by a person other than a parent, a signed note of explanation and permission from the parent must be presented. For student safety, office staff will call the student to the office after parents arrive.** If you have any questions concerning this policy, please speak with the school principal.

IPAD AND HEADPHONE INFORMATION

We implemented a 1:1 digital device program in the Wausau School District beginning with the 2016-17 school year, incorporating the use of the Apple iPad.

Why a 1:1 digital device program?

- 1 to 1 programs provide students with a digital device to maximize opportunities for personalized learning, 24/7/365.
- 1 to 1 digital devices complement the use of interactive whiteboards, digital resources, and other digital technologies (including digital textbooks).
- 1 to 1 digital devices provide for effective two-way communication and collaboration between teachers and students as well as students and students, both in the classroom and beyond.
- 1 to 1 programs provide for equity regardless of socioeconomic status.

The main objectives of the pilot include:

- Increasing student engagement and student learning and achievement.
- Providing improved instructional differentiation for students.
- Using formative assessments on a regular (daily/weekly) basis to inform instruction.
- Increasing student fluency in their use of 21st century skills such as critical thinking, problem solving, creativity, collaboration, and communication.
- Providing digital opportunities and accessibility for all students.
- Extending student learning beyond the classroom and school day.
- Increasing collaboration among teachers.

All students will be issued an IPAD the second week of school that will be for learning use throughout the school year. At some point in time the iPads will come home with students, but more information will be forthcoming. Insurance information on the iPad devices is available to parents online, and through the District Website. The District Elementary iPad Parent/Student Handbook is also available on our Lincoln and the District Website.

All students will be required to have a set of earbuds to use with the iPad. These will be available for purchase at Open House in August.
