

The Lincoln Log

Oct. 1, 2018

Principal Points:

Wow! We are at the end of our first fabulous month at Lincoln Elementary and what a fantastic end we are celebrating. Last night, we enjoyed a WONDERFUL Family Fun Night where we shared information about Lincoln School, Lincoln PTO, and PBIS. We also partnered with Home Depot in creating some wooden boxes to store our special items in and enjoyed a visit by some students from Wausau West to help us play BINGO. Lincoln is so fortunate to have Mrs. Dreikosen lead our Lincoln Family Fun Nights and fortunate to have so many families join in our fun activities.

Today we are going to celebrate Lincoln Student Loggers of the Month and an Employee of the Month who exemplify our Growth Mindset of Everyone Can Learn! Texas Roadhouse is partnering with Lincoln to celebrate our students and employees. We are grateful for the community partnerships we have experienced this week and look forward to developing new partnerships as the year progresses. We will highlight our winners in the next issue of the Lincoln Logger.

Finally, we are going to demonstrate the compassion, respect, and responsibility we have learned through our PBIS behavior matrices with a short walk to Marathon Park at the end of the day. With such a fabulous start in September, I cannot wait to see what terrific things October will bring to Lincoln Elementary! Thank you all for your wonderful participation and support of our students' education! Lincoln would not be the great place it is without each and every person's contribution to our school community!

Messages for students

With over 220 students in our school it is very difficult to deliver personal messages. Please make after school plans, transportation decisions, ahead of time. Teachers do receive messages during the lunch hour.

Please call the school office before 12:00 noon with messages for students to ensure timely delivery of the message. Teachers give priority to their instructional time, we try to minimize classroom disruption with phone calls. Thank you!

Annual Public Notice

Parents/guardians/students will be notified annually of the following: (a) their rights to inspect, review, and obtain copies of student records; (b) the existence of the student records policy and procedures and where copies can be obtained; (c) the categories of student record information which have been designated as directory data and their rights to deny the release of such information; (d) the right to request the amendment of student records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights; and (e) their right to file a complaint with the Family Policy and Regulations Office of the U.S. Department of Education.

A notice will be sent individually in the language of the parent/guardian or student if a language other than English is necessary to communicate this notice.

Procedures for Implementing Request to Withhold or Disclose Directory Information

1. Annually, each school must publish notice in their first newsletter informing eligible parties they have fourteen (14) days to inform the school that they do not want ALL or ANY PART OF the directory data information to be released.
2. All new enrollees, as well as parents/guardians/adult students, will be notified upon enrollment through the Principal's or Counseling Office.
3. The District does not need to seek parent/guardian/adult student permission to disclose directory information. If eligible parties desire that ALL or ANY PART OF the directory information not be released, they must so inform the school the student attends by completing the proper form, [REQUEST TO WITHHOLD DIRECTORY INFORMATION](#). Copies will be made for the Superintendent of Schools Office, School Guidance Office, Student's File, Parent/Guardian, and Principal's Office.
4. The federal "No Child Left Behind" legislation mandates that school districts shall provide, upon request by a military recruiter or an institution of higher education, access to secondary students' names, addresses, and telephone listings unless the parents/guardians or adult student request that this information not be released. Opt out forms ([Higher Ed](#) and [Military](#)) are available at the schools, and copies will be made for the Superintendent of Schools' office, school guidance office, student's file, parent/guardian, and school principal's office.
5. To disclose directory information, the person, organization, or institution must comply with the following:
 - a. Submit their request in writing.
 - b. Allow the District 45 days to provide directory data.
 - c. The District will charge 20 cents a page to provide copies of directory data.
