

Online Parent/Teacher Conference Scheduling

This year we will again offer online conference scheduling for November 8 and November 13 conference dates. You will be able to log in and choose the date and time that works best for you and your family. It is really quite easy!

The scheduling window is now open and will close on Monday,

November 5, 2018. Please enter the following web address in your browser:

[https://www.ptcfast.com/schools/Lincoln Elementary School 3](https://www.ptcfast.com/schools/Lincoln_Elementary_School_3)

for the best selection of dates (November 8 and November 13 – 3:45 pm – 7:30 pm.)

If you are having trouble logging in, please note the underscores between the school name and the number 3 in the address.

Due to the large number of conferences we are requesting that parents, whose children live in more than one household, work together to schedule one conference time for your child. We realize this is not always feasible, but it would be greatly appreciated if every effort could be made at this conference time. If additional conferences are needed, we would wait until all families have had a chance to schedule at least one conference before assigning a second conference. Thank you for understanding.

If you do not have internet access, please call the school office at 715-261-0965, for assistance.

If you wish to meet with one of the specialists in addition to the classroom teacher, the specialists will be available on the following nights. No appointment is necessary.
